Homecoming Festivities

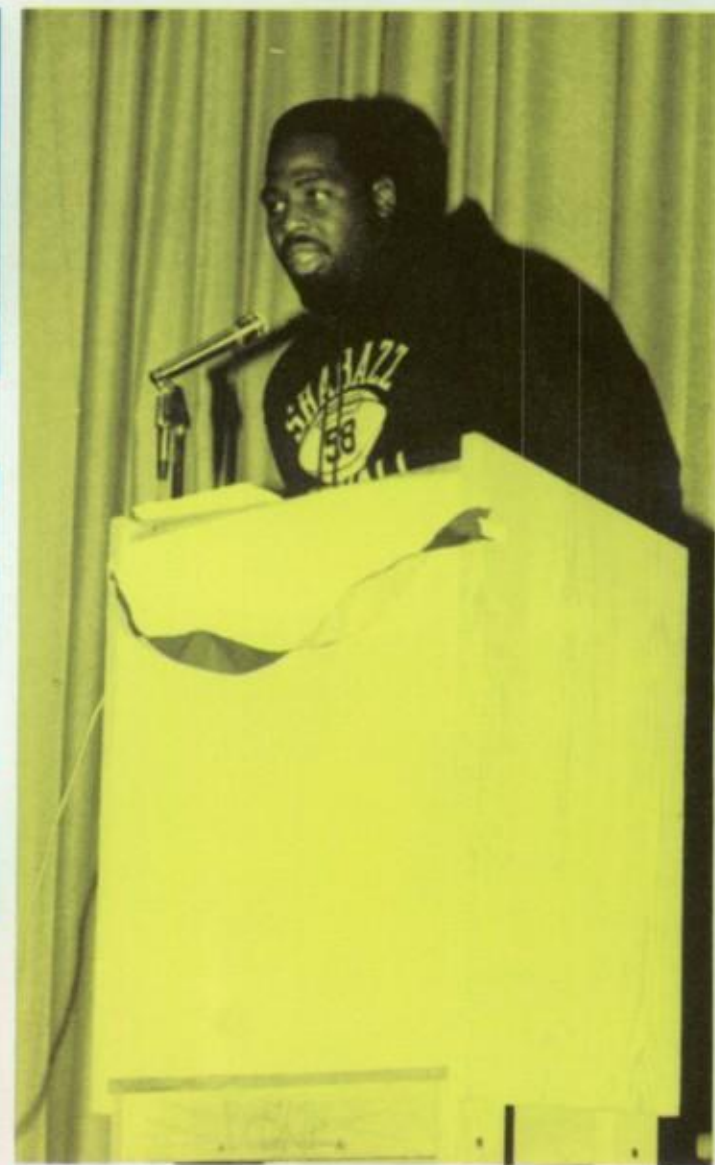

The annual Homecoming Assembly program was held on Wednesday, November 21, 1984. Mr. Carl Evans, a 1966 graduate of Malcolm X Shabazz/South Side High, delivered a very inspirational message concerning the importance of respect, pride and determination.

Following the message, Miss Homecoming and her court of queens were presented to the student body.

Homecoming Parade

Miss Homecoming, Jannette Mitchell, led the homecoming parade from Weequahic Park to Utterman Field. The queens, donned in furs and riding on top of late model cars, waved to the crowd gathered along Chancellor Avenue.

Bulldogs KOd Weequahic's Title Bid

The Bulldogs defeated the Indians 24-8 before a crowd of 3,500, denying Weequahic a share of the city title with Vailsburg.

The victory tied the holiday series at 3 apiece. Last year the Bulldogs were unable to produce an academically eligible team for this, their final game; therefore the game was forfeited to Weequahic. With memories of last year's embarrassment and pain, the 1984 Bulldogs dominated the game from the opening kickoff.

The Bulldogs gained 278 yards and held the Indians to 92.

In the opening period, quarterback Darren Melvin threw a 29 yard scoring pass to wide receiver Ronald Morse on the third play of a 44 yard thrust. Charles Wilson, who gained 148 yards on 21 carries, ran 61 yards to cap a four play, 69-yard drive. Charles Wall, who picked up 121 yards in 15 carries, broke loose for a 69 yard scoring run in the second period to increase the lead to 18-0.

The Bulldogs closed the scoring in the final period when Wilson intercepted a pass and returned it 46 yards to the Weequahic two, and, on the next play, Wall took it in.

“Puttin’ On The Ritz”

In the past, junior and senior classes have stayed with traditional happenings. The Class of 1985 wanted to devise something new.

On Friday evening, June 15, 1984, the Class of 1985 held the school's first junior prom. The theme was “Puttin’ on the Ritz.”

The cafeteria was beautifully decorated with scenes of the George Washington Bridge, with the New York skyline in the background. As couples entered with their bids, they were escorted to assigned tables. Music was furnished by fellow classmate Darren Melvin. A delicious dinner was served.

To climax the evening, the king and queen, Eric Nixon and Michele Alston, were crowned. Jannette Mitchell was first runner-up.

'85 On Wheels

On Monday evening, November 19, 1984, the Class of 1985 sponsored a skating party at America on Wheels — Twin City Roller Rink.

Students began gathering early, many of them bringing their personal precision skates, in order to enjoy the evening to the fullest extent. Several faculty members were seen sliding across the floor.

As always, when Malcolm X Shabazz get together, a good time was had by all.

CAREERS

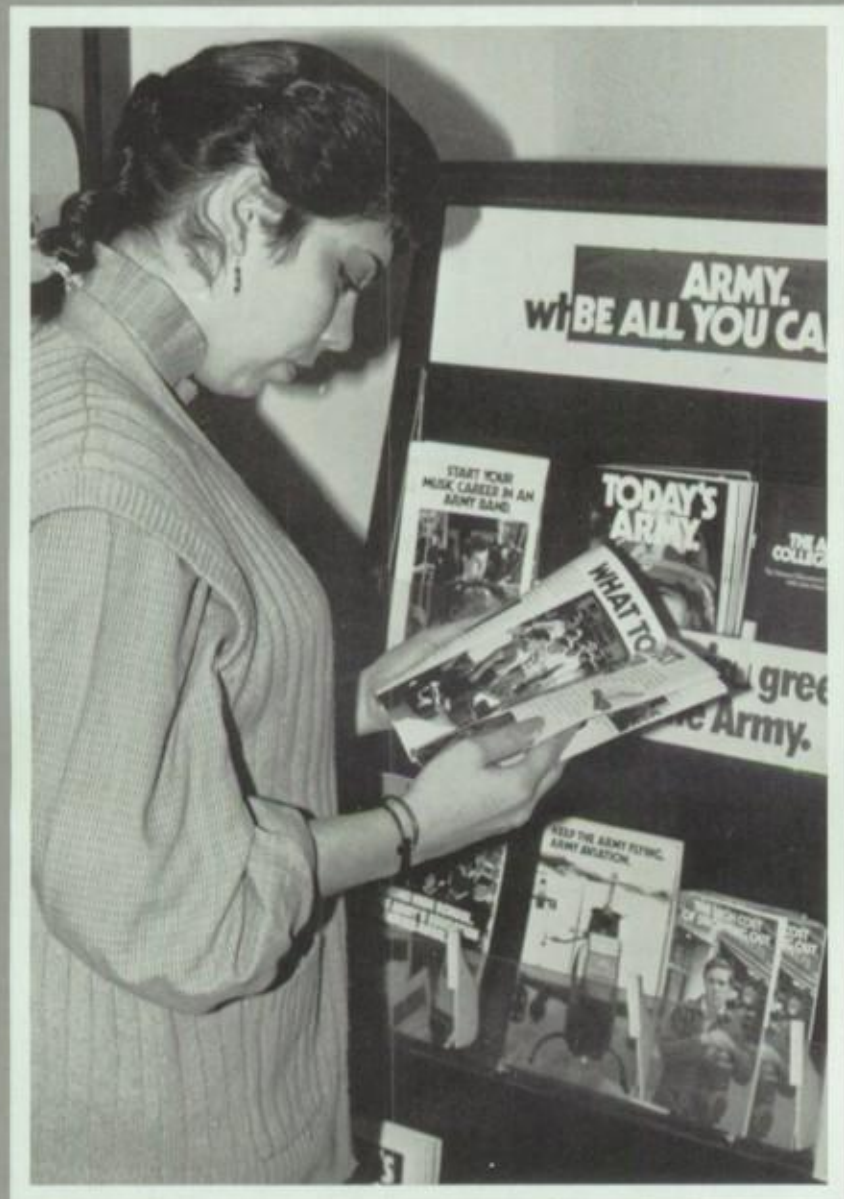

Do You Know Where You're Going To — Do You Like the Things That Life Is Showing You? Where Are You Going To — Do You Know?

To assist the members of the Class of 1985 in choosing the careers that are most suitable for them, throughout the year many professional people were invited to explain their areas to the seniors.

On Career Day, February 27, 1985, a flood of professionals from various areas, were invited to Malcolm X Shabazz. The fields of fashion, medicine, aviation, and law enforcement were represented, as well as the armed forces business schools and colleges. The seniors were divided into different groups, and the recruiters had an opportunity to make their presentations to all.

The event was very successful, illustrating the hard work and planning that was put into it by the senior class advisors, Mrs. Bennett and Mrs. Dunham.

FACULTY AND STAFF

The faculty of Malcolm X Shabazz High School is a dedicated group of educators who make up the heart of our school. The 131 members of the faculty and the 43 support staff members are directed by our principal, Mr. Gordon Mays, and his vice principals Mrs. Catherine Murphy, Mr. Seymour Farber, Mr. Irwin Shmurak and Mr. Richard Williams.

The school spirit has rubbed off on our teachers as it has on the student body and the community as a whole. Sixty-three teachers are involved as coaches or advisors of clubs.

The faculty spends a great deal of time and effort to broaden our horizon and strengthen our academic standing.

Mr. Gerardo assists Iris Torres with her project in wood Shop.

Principal's Message

The time has come. Time to close the door on adolescence and open the door on maturity and adulthood. The life before you is uncertain. There will be hard and difficult times ahead. The present prosperity is but an illusion resting on a weak foundation.

Your life is in your hands. Those of you who have worked hard to prepare yourselves, stand the best chance. Dedication, commitment and hard work still stand as the most durable keys to success. I hope you are ready to meet the challenge.

I wish you well and may your troubles be few. Remember to always walk with pride and dignity. Do the best you can do. Be the best you can be no matter what you choose to be. Your future call — spread your wings and fly into tomorrow. Reach for the sun — GO FOR IT!

Dedication

Ms. Willa Blackshear

One of the most important parts of the yearbook is the dedication. The school's yearbook should be dedicated to someone who has given more of themselves than was required by their job description.

We, the Executive Board of the Class of 1985, with great pride dedicate the 1985 Optimist Annual to Ms. Willa Blackshear.

Ms. Blackshear received an associate degree and a master's degree from Montclair State College.

Prior to coming to Malcolm X, Ms. Blackshear worked at Roanoke College.

For the past thirteen years, Ms. Blackshear has been using her expertise to direct Bulldogs to choose promising vocations.

We feel that Ms. Blackshear deserves special recognition for helping students to build their academic backgrounds, thus enabling many students to be accepted in school to further their education.

Ms. Willa Blackshear, we, the Class of 1985 make this dedication to you to show our appreciation for the dedication that you have given to us.

THE CLASS OF 1985

Senior Class Advisors

The duties of senior class advisors mostly involve fund raising and over seeing all plans surrounding the graduating class. In the fall of 1983, Mrs. Delois Dunham and Mrs. Linda Bennett accepted the responsibility of supervising the class of 1985.

To these courageous women, with whom we didn't always agree, we wish to say thank you from the bottom of our hearts for having helped us to institute ideas that were different and exciting. We hope that some of the trends set by the Class of 1985, will be utilized by the upcoming senior classes to continually make the graduating class of Malcolm X Shabazz High School the best ever.

Debbie Williams is a 1981 graduate of Bergen Street School. She enjoys sewing, reading and listening to music.

At Malcolm X Shabazz, Debbie has been a homeroom representative for the Student Government Association and a member of the Color Guard. Last spring, she was inducted into the National Honor Society. Debbie is the proud recipient of

the Garden State Distinguished Scholars Scholarship, the Academic Achievement Award from Malcolm X and from Rutgers University, and the Black Achievers Award. She also attended Project Close-Up in Washington.

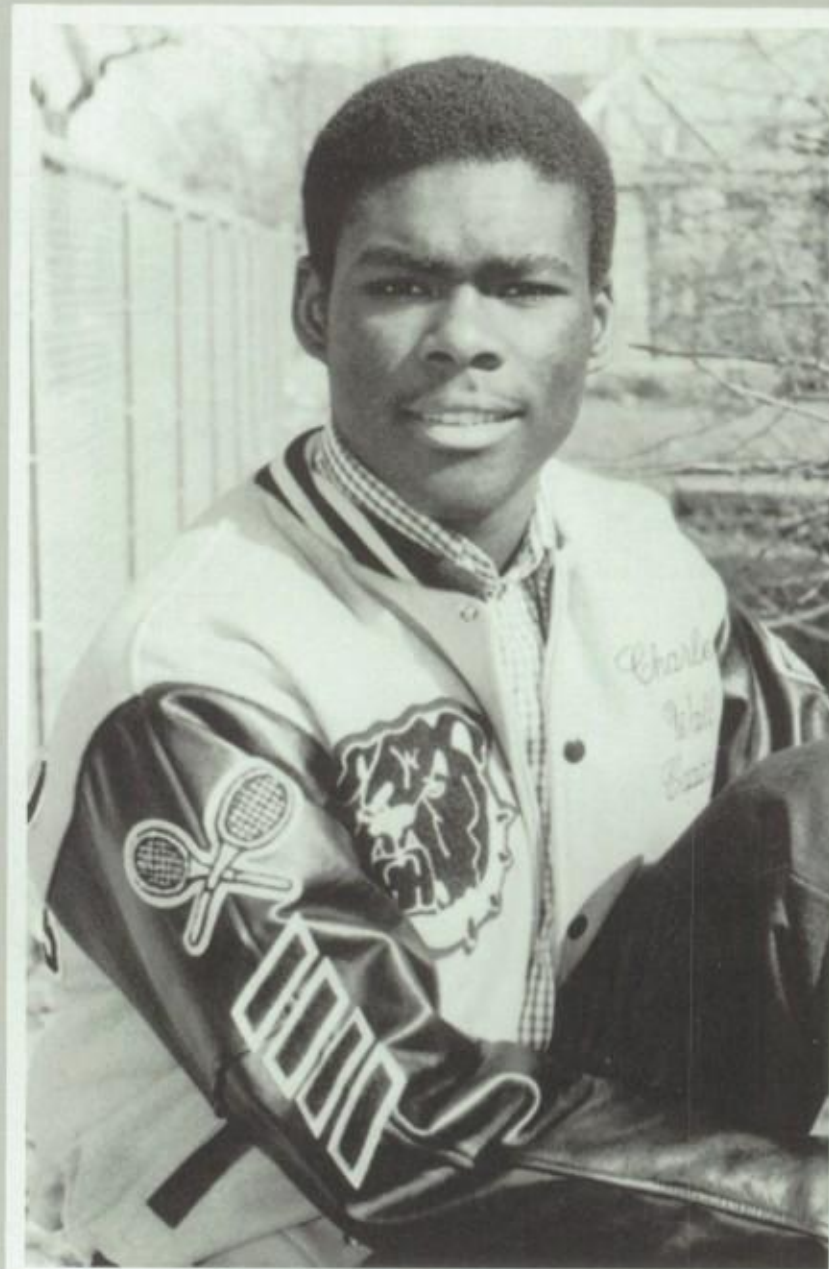

In the fall, Debbie plans to attend NJIT and pursue a career in chemical engineering.

Charles Lovell Wall

Charles Lovell Wall is a valedictorian graduate of Louise A. Spencer Elementary School.

During his matriculation at Malcolm X Shabazz, Charles has consistently made the honor roll or honorable mention. He is a member of the National Honor Society, the Computer Club, the Optimist Staff, NJIT Upward Bound, City Wide Student Council Representative, president of his junior and senior class, and captain of the football and tennis teams. In his junior year, Charles was selected to attend Senator Bradley's internship in Union, New Jersey, and Project Close-Up in New Jersey and Washington. This year, he was named to Who's Who Among American High School Students and Highly Distinguished American High School Students. Being an outstanding fullback, Charles was named to the All City Team, All County Team, All State Team, Academic All American Team. In addition, he became the proud recipient of the 1985 Essex County Chapter Hall of Fame Award. Charles is a member of the Greater Abyssinian Baptist Church in Newark, the NAACP and the 4-H Club.

Charles has been accepted at Penn State University in Philadelphia for the fall semester. He plans to pursue a career in electrical engineering and hopes to, one day, own his own business.

ACADEMIC LIFE

Marquis Perry (right) and Darren Melvin make adjustments on ohms tester.

Decisions, Decisions

As our students progress from adolescence to adulthood they will need to learn the art of decision making. Throughout their lives they will have to make hundreds of decisions which will affect the degrees of success or failure they experience. By learning how to select the best choices, students can have more control over what happens to them.

To assist students in developing their decision making skills, the Guidance Department offers numerous opportunities for them to make decisions about resources and about themselves as they examine choices and select one that is the most desirable. Hopefully, by developing these skills, our students are preparing to lead lives where they know how to set their own goals, make good decisions and accept ownership for their own successes and failures.

English Department "To Be or Not to Be"

Since it is necessary for individuals to become effective, productive citizens in this democratic society, it is imperative that they develop functional competency in the area of communication skills.

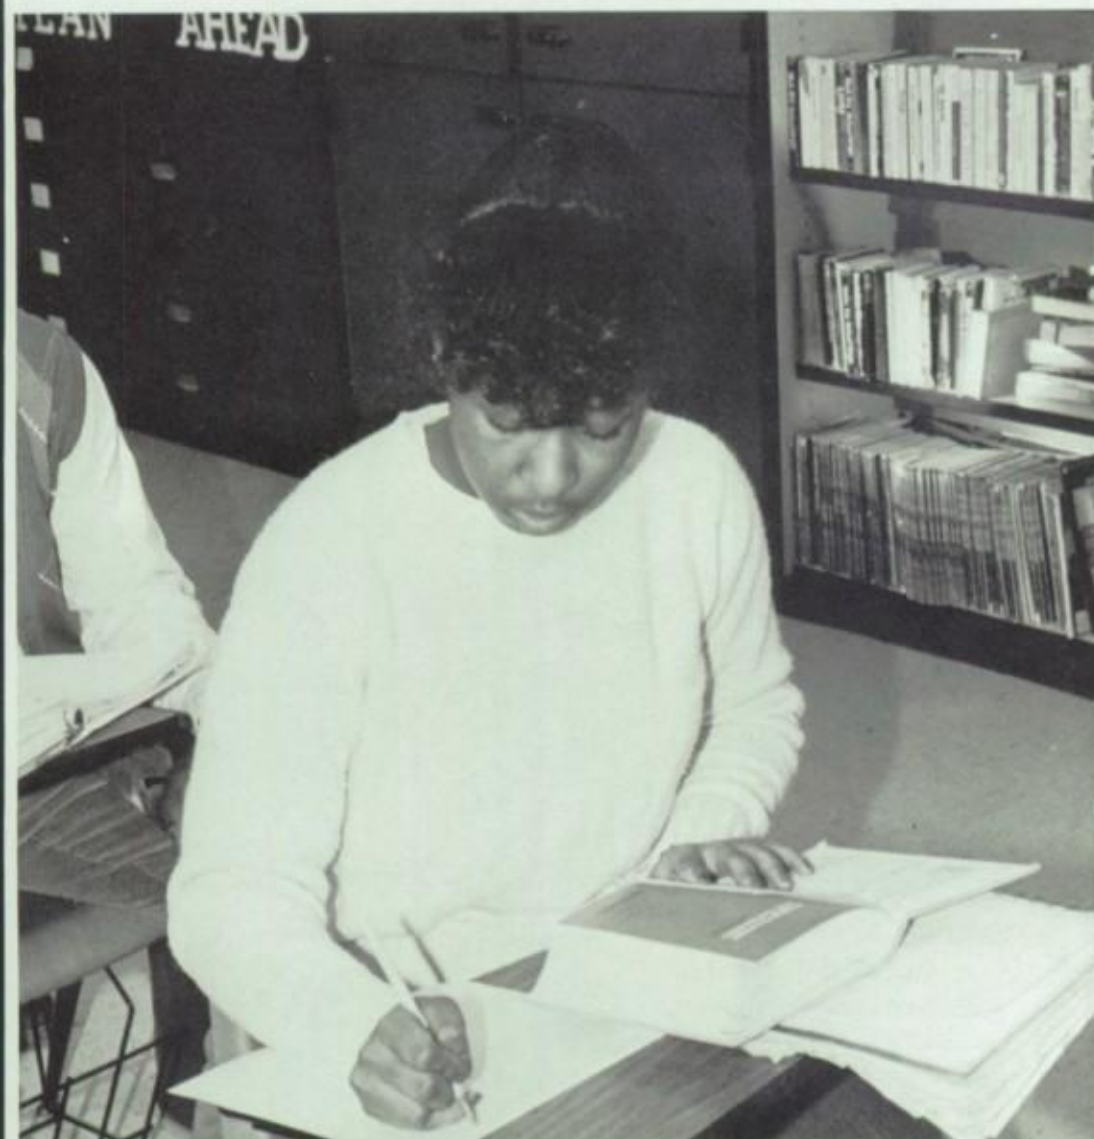

Under the leadership of Mrs. Edna Bailey, the English Department strives to provide each student with a basic, practical and functional knowledge of the English language and its literature by the time he or she graduates. At each level, the English program builds on and incorporates the programs of previous grade levels.

Recognition of the fundamental position of communication skills and the fluid transfer of knowledge are encouraged by liaison programs with the library, Social Studies Department and Business Department, formulated to assist in teaching library and research skills.

Science Department Test Tubes, Flask and Beacons

"Great discoveries and improvements involve the imagination of many minds. I may be given credit for having blazed the trail, but when I look at the subsequent developments, I feel the credit is due to others rather than to myself."

This statement was made by Alexander Graham Bell many years ago, but it rings true today as one contemplates the many minds and vast expenditures involved in the effort to conquer space and the seemingly vain attempt to defeat the killer, cancer.

Such considerations impel Science Chairman Harold Wharton and his faculty to lend their efforts towards developing quality students in the area of science. The courses are designed to provide fundamental training in the sciences for students to meet requirements for graduation, as well as more advanced technical training for those college prep students who may pursue a career in natural science.

Practical Arts Department Students Educated In Practical Skills

The diversified Practical Arts Department affords students at Malcolm X Shabazz the opportunity to gain first hand experiences in many areas. The main goal of Department Chairman Irving Mitzman and his teachers is to help students to develop and clarify skills that will allow them to make constructive contributions to their own families, homes, communities and personal lives — both present and future.

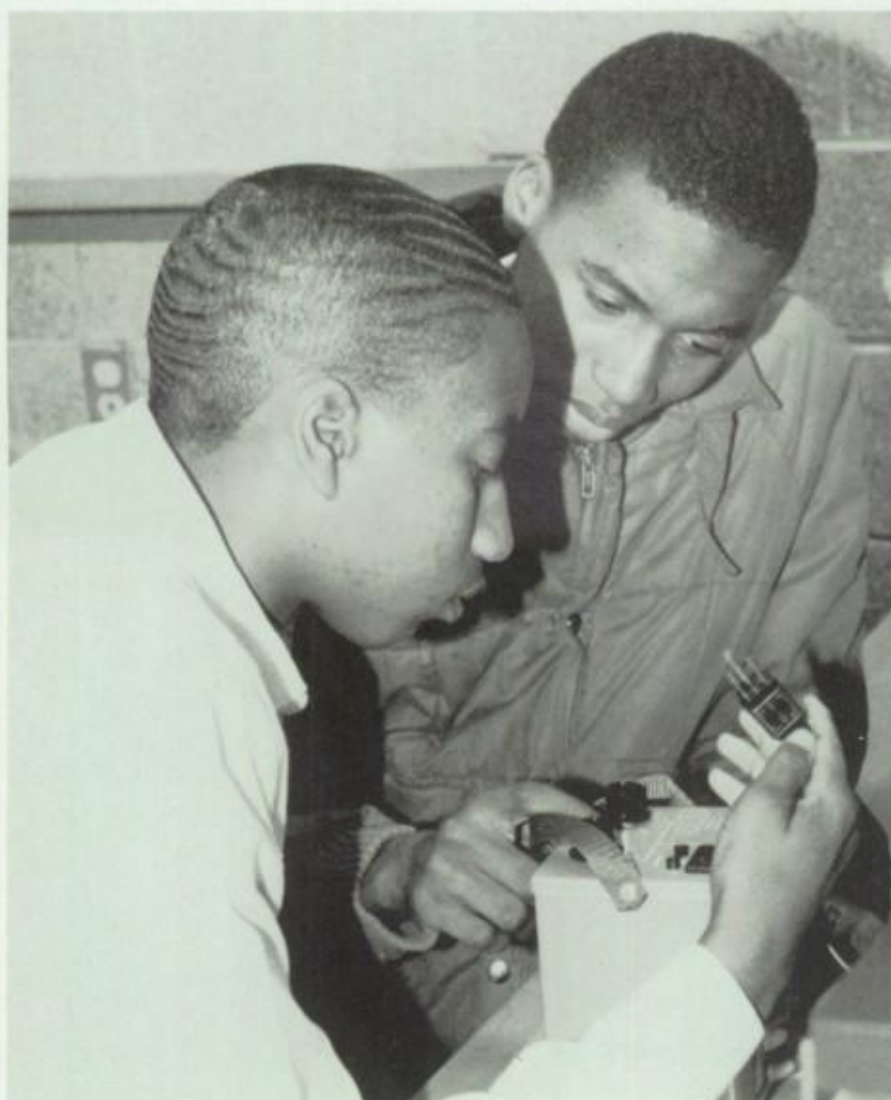

The traditional Home Economics courses are offered, in addition to Child Development, which allows students to work with youngsters in a nursery. Various Industrial Arts classes are available, including Auto Shop, where students actually learn to service cars.

All Practical Arts instructors are involved in the teaching of Social Growth to all freshmen. This course was devised to help 9th graders make the transition from grammar school to high school. Students are taught to understand themselves and how to relate to others. They are also exposed to all subjects offered in the Practical Arts Department.

“Little House in the Shop”

Wood shop instructor Mr. Dorer wanted to give his students the opportunity to get first hand experience building a house. A plan was implemented to have students construct a little house in the shop.

The first step was to have each student design and construct a scale model house. Once this was completed, floor plans were drawn to build an 8x8 house, complete with windows, doors, walls, floor and roof.

At press time, the students had completed the foundation and a few exterior walls. If funding permits, Mr. Dorer hopes to have the project completed early fall 1985.

Exploring Our Nation's History

As the world grows smaller and the inter-relationship between cultures becomes more complex, the Department of Social Studies finds itself taking the duties more seriously as it goes about the task of representing several integrated curricular concerned with one aspect or another of human relations.

The knowledge of understanding of the background and present behavior of man, as well as his future actions, is the main objective of students taking courses in this department. It is easily seen that a knowledge of the courses offered in this department can be of great value to the students in understanding himself and his place in society, as well as understanding others and their places in society. Knowledge of man and his reaction to society is useful in almost every phase of life in practically all types of vocations — government employment, civic work, clerical work, sales positions, and most certainly in the professional fields of education, medicine, law and theology.

The primary concern of Department Chairman, Jack Korbman, is to create an atmosphere where students are willing to work to achieve their optimum development, in addition to receiving credits for those courses that are required for graduation.

Math Department

Computers Mix Into Math

Math is both a tool subject and a pure science. The department, under the leadership of Mr. David Swanson, is being continuously equipped with those mathematical tools and materials necessary to prepare our students with skills to meet the demands of this technological age. Included in this list are computers, books, periodicals and materials for mathematical constructions and experimentations.

“Hands on” Experiences Offered

The Business Department at Malcolm Shabazz offers a variety of courses in business education, secretarial studies, accounting and the processing of information by way of computers and word processors. Courses in General Business, Business Mathematics, Recordkeeping and Typing 1 are available to students who wish to take foundation courses in preparation for a concentration in Business; or for students who simply want to acquire the knowledge and skills necessary for personal use as consumers and citizens. Courses in Stenography, Accounting, Business Law, Advanced Typewriting, Business Machines / Key punch, Computer Programming and Secretarial Practice are available for students who wish to receive preparation for careers in Business office or pursue further study in Business or 4 year college.

Some career fields in which our students enter are: Secretarial — Executive, Medical and Legal, Word Processing, Business Management, Accounting, Computer Operator, Computer Programmer, Computer Technician, Clerk Typist, Business Teacher, Sales and Merchandising.

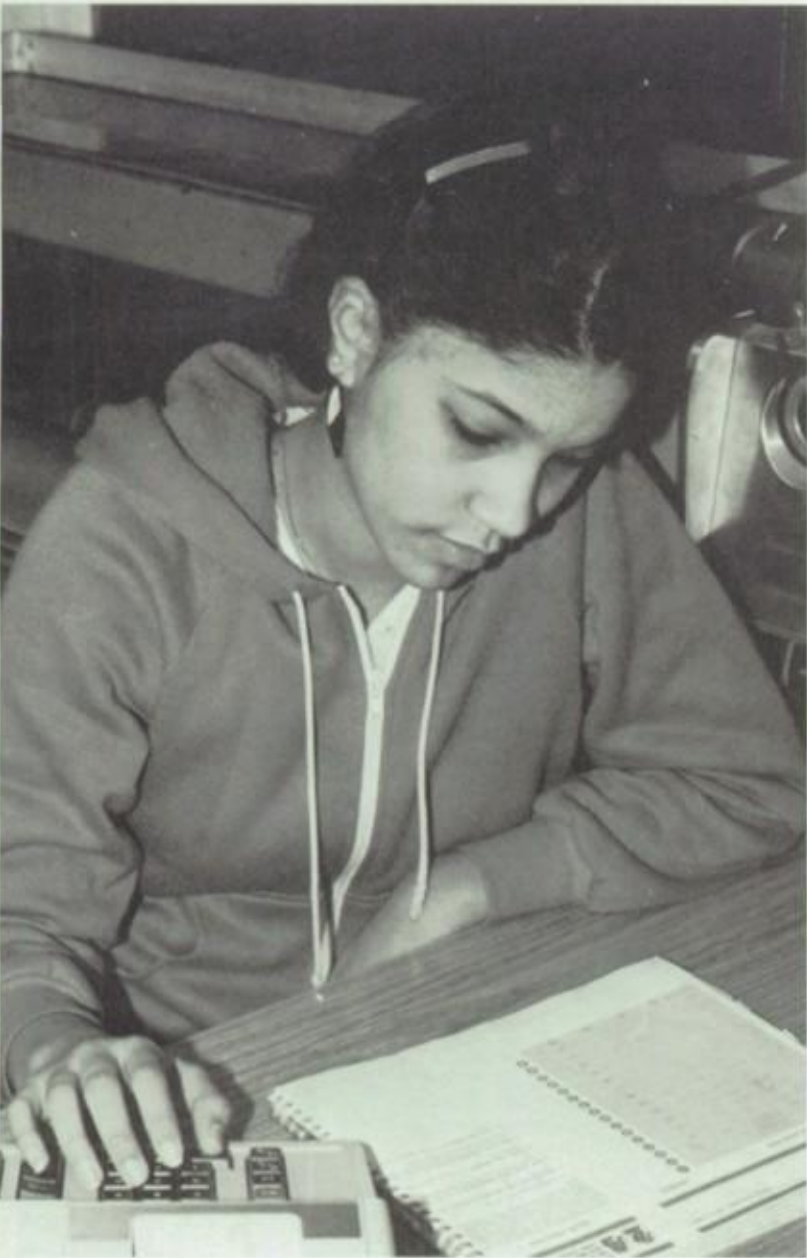

Our Cooperative Office Education and Distributive Education work programs help non-college bound students interested in office or sales work to get a head start during their senior year.

During the last 5 years, a number of our business students have received recognition for excellence in Business Education by competing in Business Skills Olympics in New York City and Newark, receiving part-time office positions during their senior year, and being listed in the United States Achievement Academy's Business Education Yearbook.

Physical Education Department Exercising Yields Good Health

The aim of the Physical Education Department, under Chairman Vincent Finch, is to develop, in our students, an awareness and an intelligent understanding of the need for physical activity. Students are offered the opportunity to acquire skills which will increase efficiency of movement and enjoyment of leisure and contribute to the maintenance of health.

The philosophy of education *through* the physical — rather than *of* the physical — demands a program which has a wide range of activities rich in opportunities or self-expression.

Besides the broad curriculum, the department provides an intramural program of athletic activities as varied in scope as facilities will permit.

Fine Arts Department Art As A Language

Wherever men and women have lived together, art has sprung up among them as a language charged with feeling and significance. The desire to create this language appears to be universal. It shows itself in all societies and in all ethnic divisions of mankind — black or white, red or yellow. It has become a very part of man's need to impose his will upon the universe: to bring order out of chaos; to endow his moments of highest awareness with enduring form and substance.

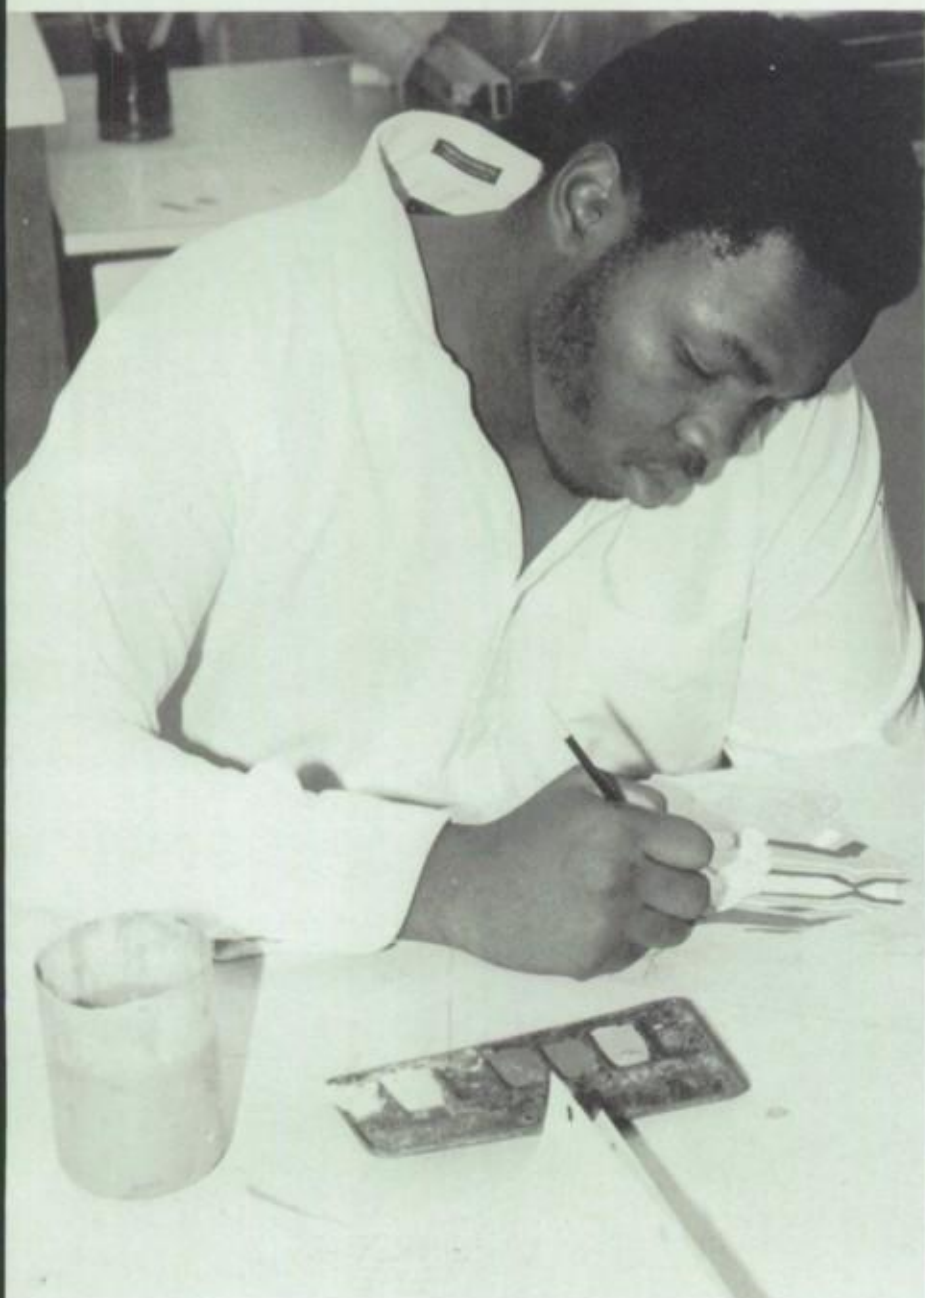

Under the leadership of Mr. Bauer, Department Chairman, art and music at Malcolm X Shabazz have come a long ways from their primitive stages, but they have retained their connection with the spring of human feelings, with the accents of joy and sorrow, tension and release.

The Fine Arts courses offered at Malcolm X Shabazz allow students to continue in the tradition of using music and art as a language that transcends the barriers men put up against each other.

Foreign Language Department Making Foreign Languages Familiar

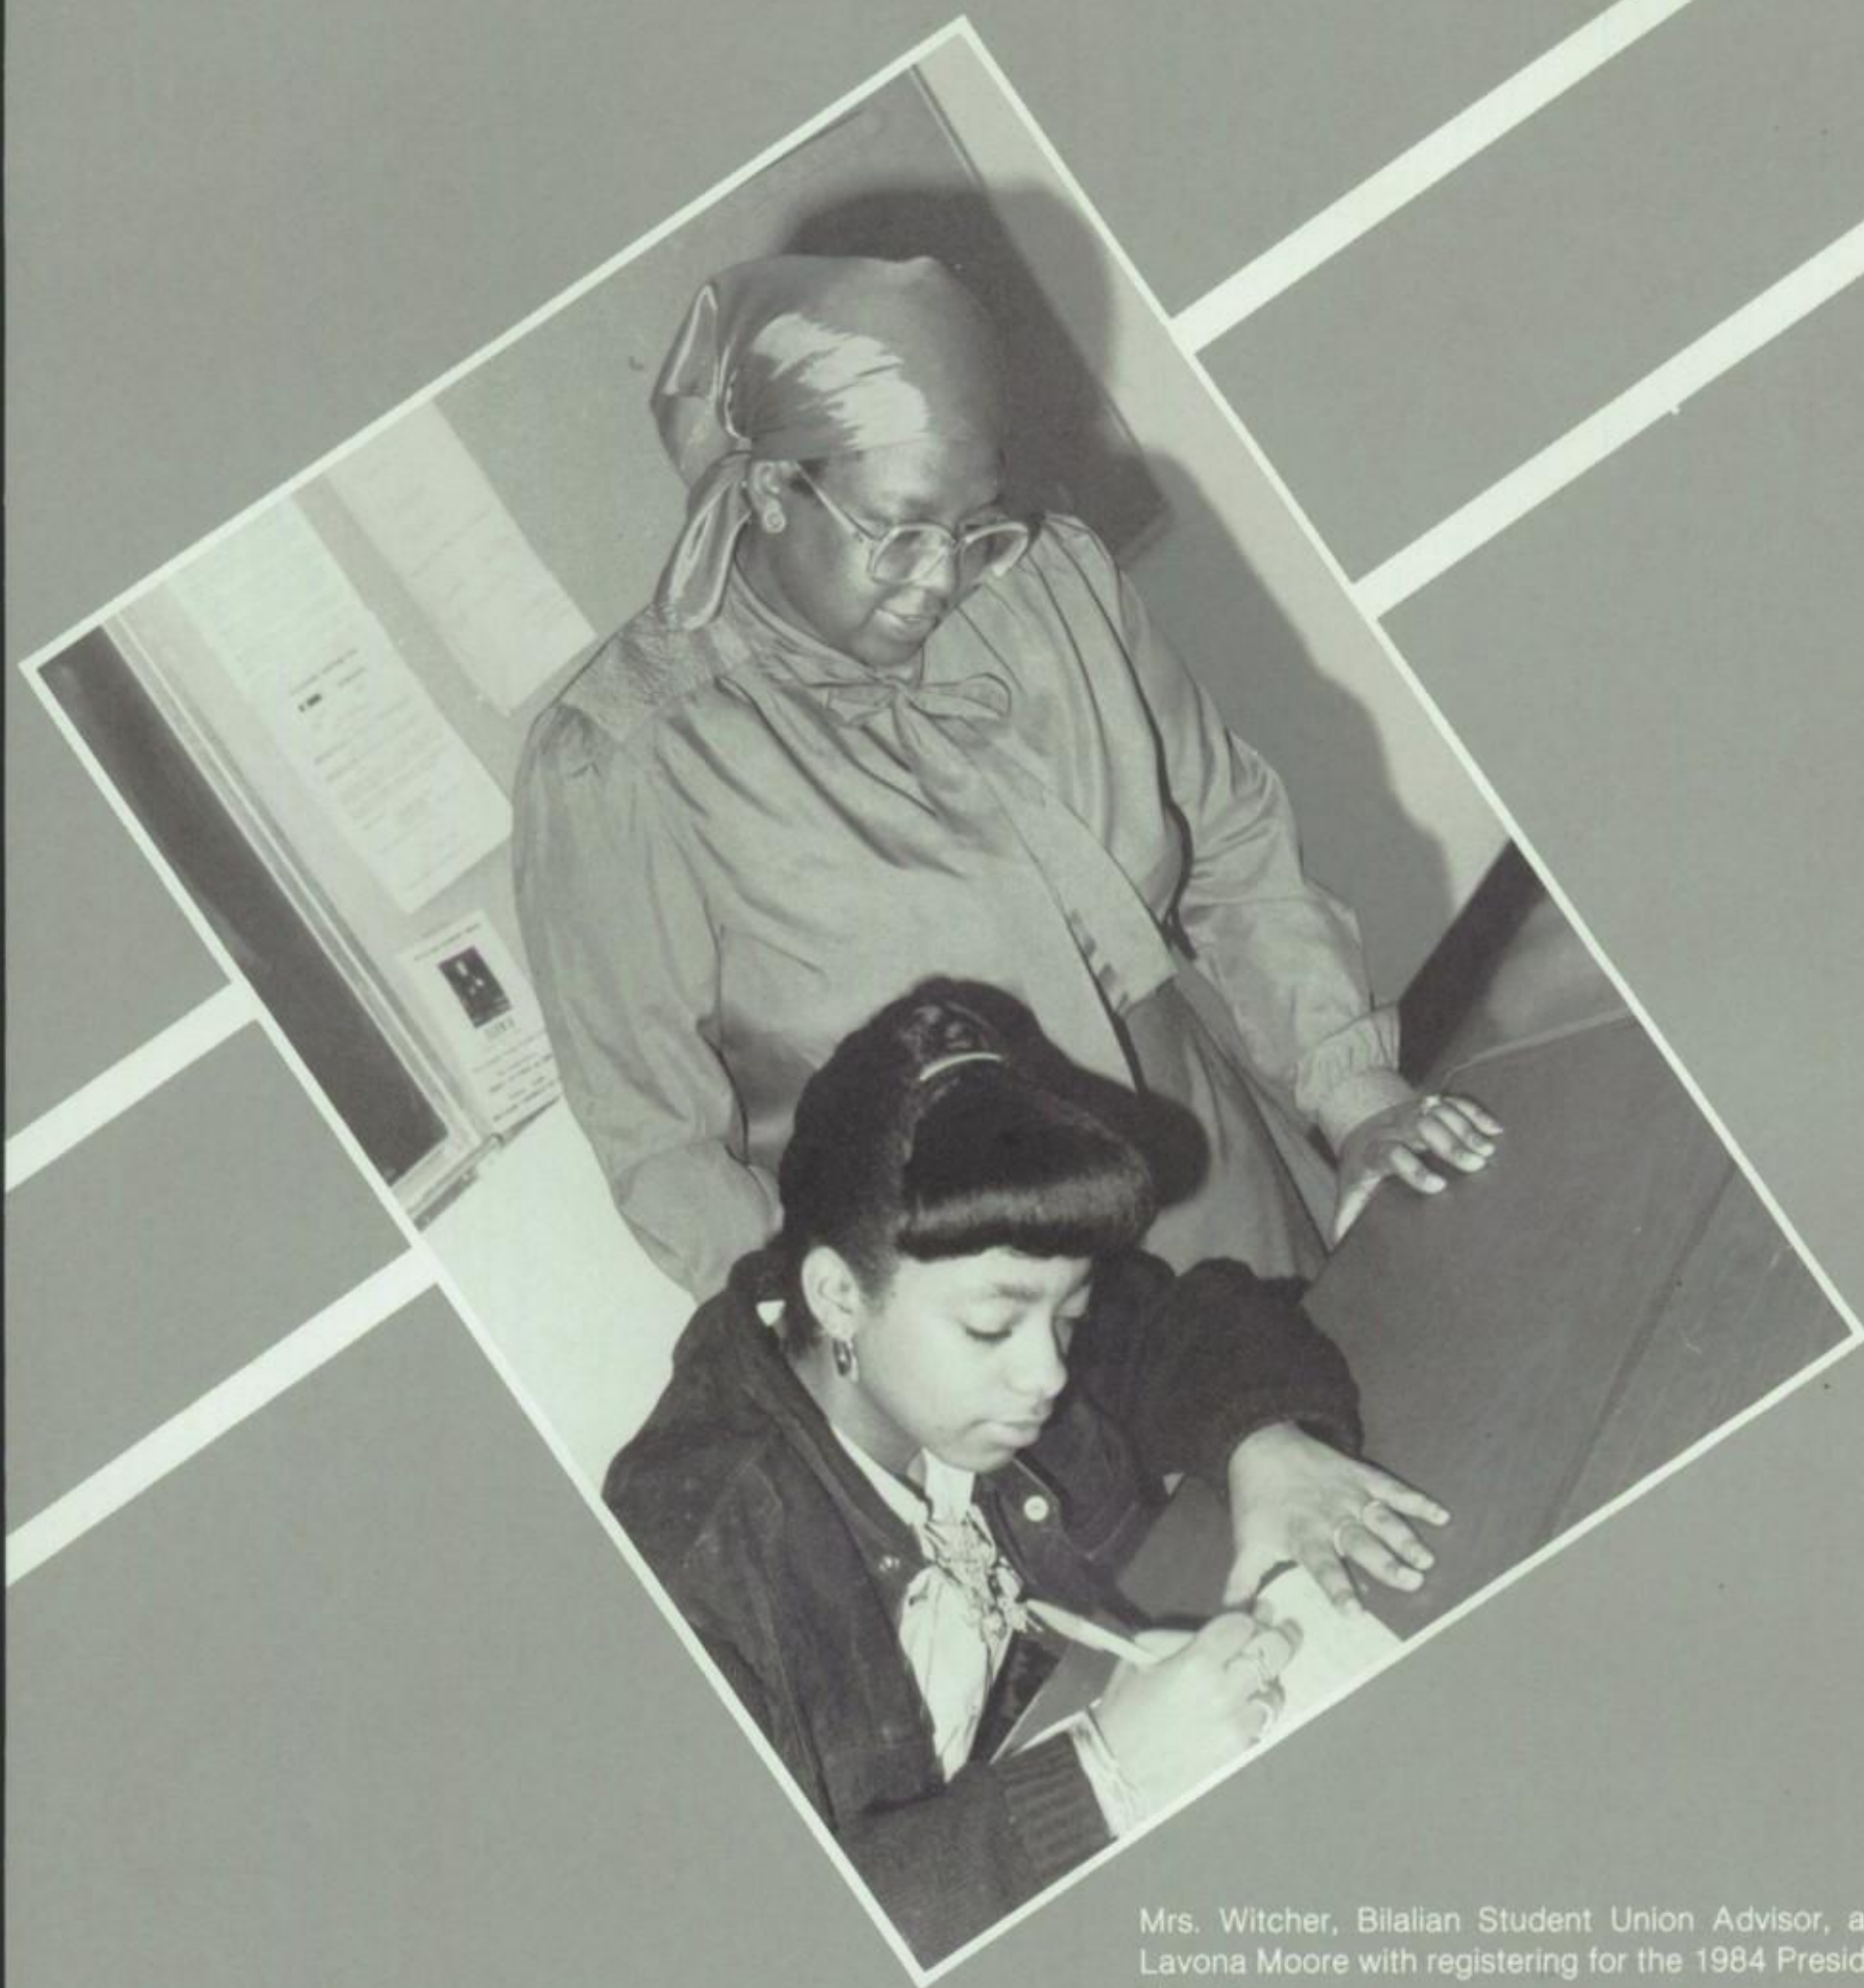

The influx of students to our area from South and Central America and the Carribean makes the teaching of foreign languages imperative.

The Foreign Language Department at Malcolm X Shabazz offers courses in French and Spanish. Learning to speak Spanish is necessary, not only for future use, but also for current communication among the student body.

Each year at Christmas time, the Spanish classes travel throughout the building serenading the student body and staff with carols sung in Spanish.

Student Government Association

Future Leaders in the Making

The Student Government Association, under the advisorship of Ms. Fran Tobin, acts as liaison between the student body and the administration, and organized activities aimed at promoting student morals and community awareness.

One of its main projects, this year, was to raise funds to assist the starving Ethiopians. A goal was set to raise enough money to feed 25 children for a month. Staff and students were encouraged to contribute and collections were also made in the community. The drive was successful and \$475 was contributed to the Newark Metropolitan African Relief Fund in the name of Malcolm X Shabazz High School.

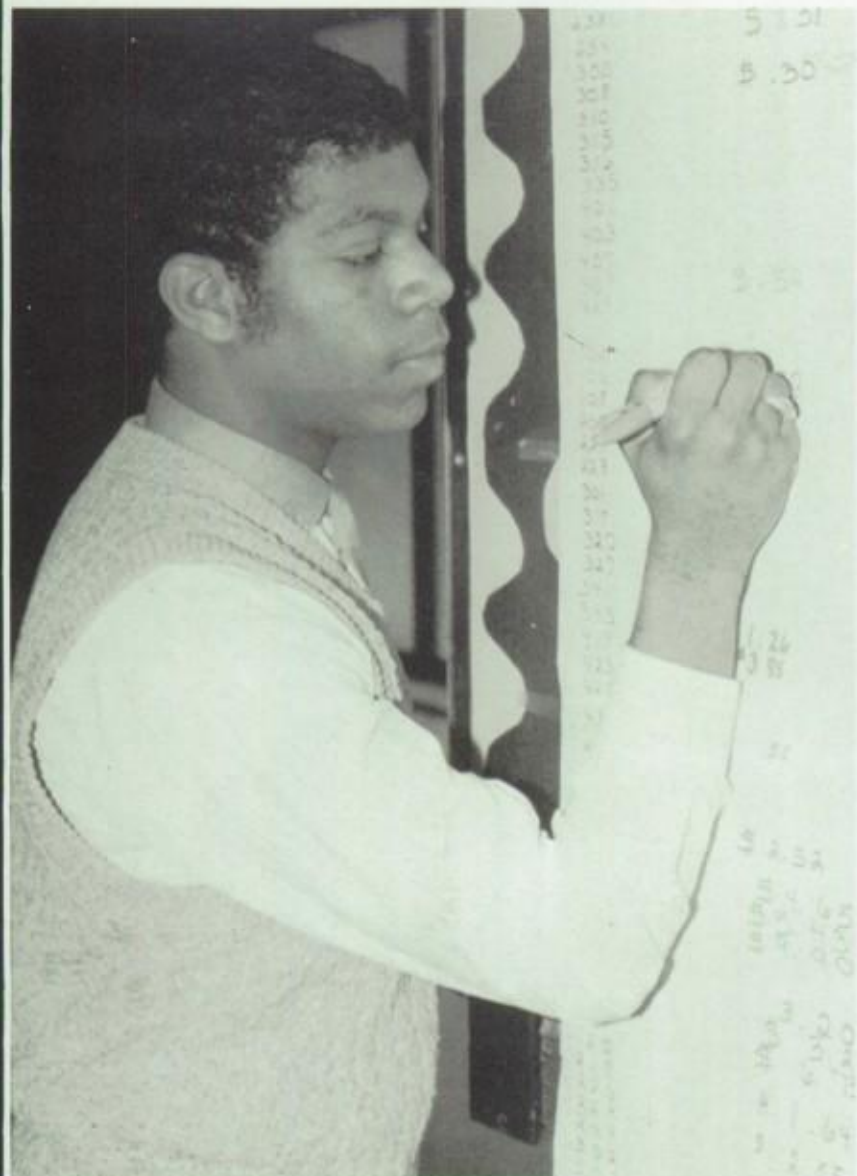

Some of the other SGA projects were to help publicize the Choral Christmas Concert, form volunteer groups to clean the halls during lunch periods, read morning announcements over the public address system, use bulletin boards to disperse current information, and serve as hosts and hostesses for functions at the school.

At presstime, an effort was being made to monthly recognize unsung heroes of the school — a student from each grade level, as well as staff and parents.

Science Club

The Science Club was founded in order to stimulate interest in science. Under the advis-
ship of Mrs. Texanna Thompson and Mr. Ran-
dolph Scott, the club members participate in
science related workshops and tours of museums.
They also go on field trips to investigate science
careers.

Optimist Staff

A Masterpiece in the Making

It is the duty of the Optimist Staff to create the most expensive project of the senior class — the yearbook or annual. Selecting a cover, developing a theme, and recording stories and photos of events of the year that will become more precious in the years to come proved to be a very time consuming task. Many lunch periods were missed; after school hours and mornings that upperclassmen could sleep late were sacrificed to produce a book that would represent the time, pride, talent, and dedication that was utilized while putting it together.

Staff members include editor-in-chief Marcia Wall, assistant editor-in-chief Caroline Cain, Debbie Williams, Charles Wall, Jillian Bellamy, Kip Whitney, André Bynum, Cynthia Brown, Shelia Brown, Tammy Willis, Shelia Johnson and Rachel Walker.

Under the leadership of staff advisor, Mrs. Betty Prezzy Bryant, we, the Optimist Staff, feel that we have created an annual that will prove to be priceless in the years to come.

Positive Action Club

Peer Counseling Workshop

The members of the Positive Action Club serve as peer counselors to help fellow students deal with problems that develop from peer pressure.

Under their advisor, Mr. Leamond Downing, the PAC hosted a peer counseling workshop in the library on February 14, 1985. The purpose of this workshop was to update fellow counselors, from high schools all over the city, on the use and abuse of drugs.

Guest speakers from various organizations that deal with drug use and abuse were present to speak and answer questions in the morning and to hold rap sessions in the afternoon.

Some of the students have been trained to handle the hotline for depressed teenagers at the New Jersey College of Medicine and Dentistry.

Bilalian Student Union

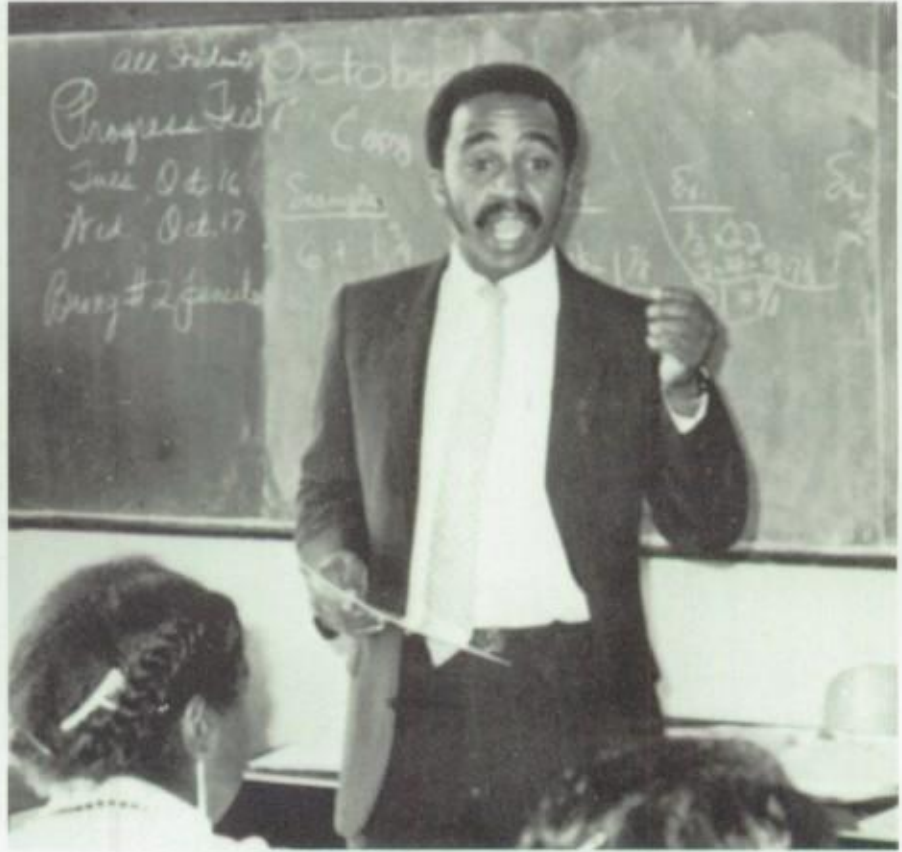

The Bilalian Student Union was formulated in 1975 to encourage students to improve attendance and improve academic achievement. The organization also stresses youth leadership, goal setting, decision making, and volunteer activities to assist peers and senior citizens.

The BSU is open to membership by all students at Malcolm X. Although no dues or fees are required, the organization conducts fundraisers to purchase items for the school and items to be shared by its members.

The school newspaper, The Recorder, is a club that teaches all aspects of gathering and reporting the news, plus graphic layout and editing.

Under the advisorship of Ms. Rosalind Carmichael, the staff publishes five issues during the school year. Attempts are made to include articles that are informative as well as entertaining.

Staff members are Barbara McMiller, editor, Michael Hargett, co-editor, Tracey Burwell, Shelley McCauley, Vonchita Rawls, Yvette Martin, Sabrina Richardson, Sylvia Woodard, Kip Whitney, Leo Brown, Claston Walker and David Horton.

The National Honor Society

The National Honor Society consists of distinguished juniors and seniors who have met the requirement of maintaining a B-average during their high school matriculation. In addition to scholarship, students must also exhibit qualities of leadership, service, and character in order to qualify for membership.

Since the establishment of the National Honor Society, a chapter has been present at Malcolm X Shabazz, although it has not always been in full operation.

On Friday, March 1, 1985, the Malcolm X Shabazz auditorium was the setting for an exciting night of fashion. Future Business Leaders of America

The purpose of the Future Business Leaders of America is to bring business and education together in a positive working relationship. The national organization offers programs and services that create a forum in which students, educators and business people learn about one another.

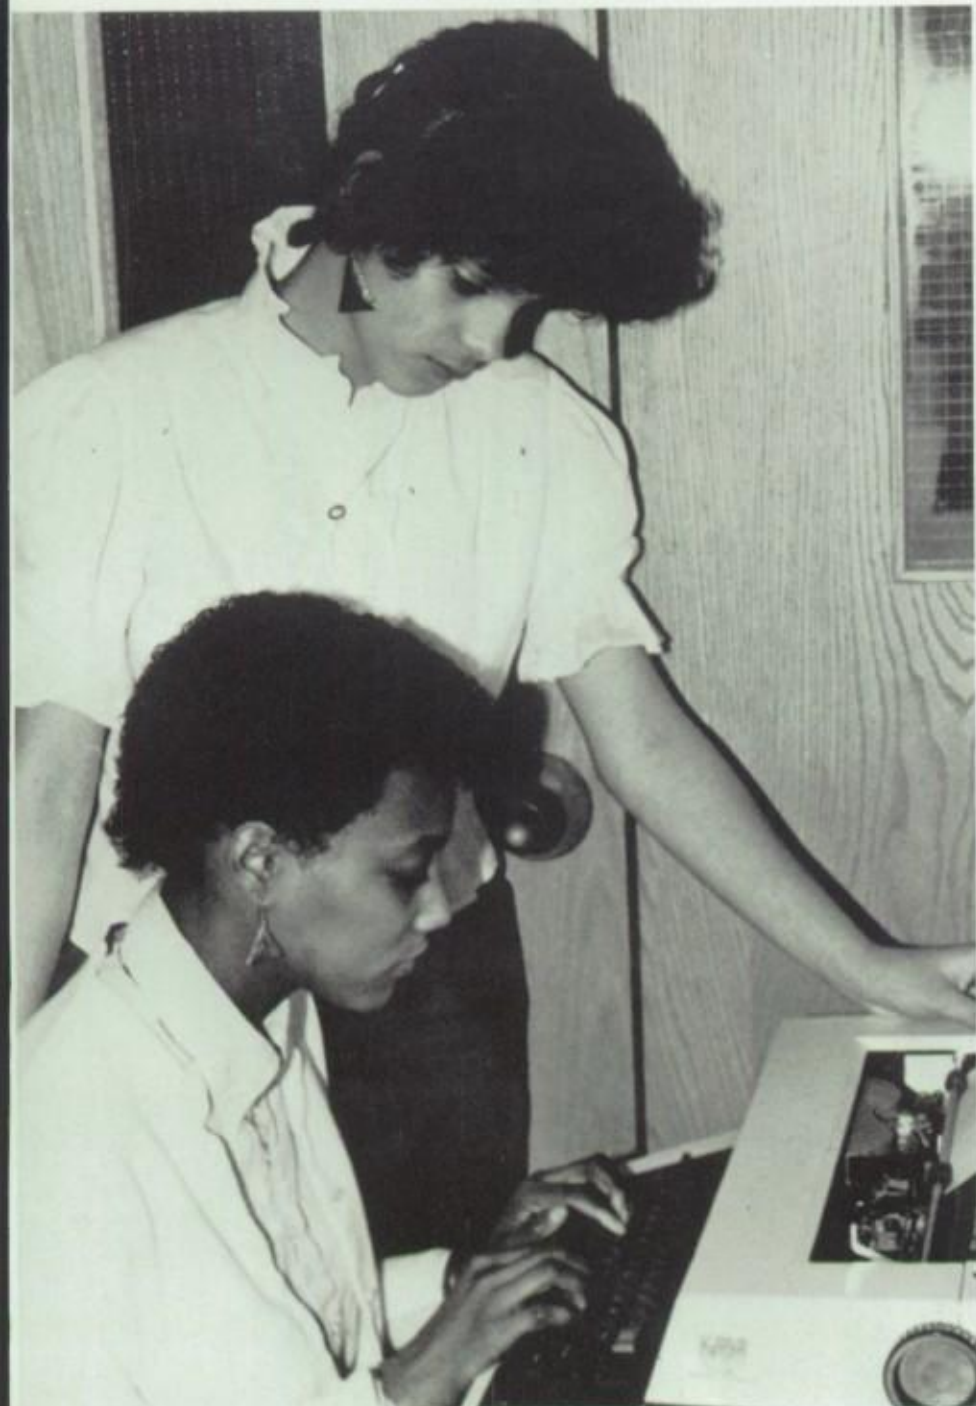

Organizational goals are to promote competent, aggressive business leadership; facilitate the transition from school to work; develop character and self confidence, understand American business enterprises.

Gospel Chorus

The Gospel Chorus began in 1982, with a group of approximately thirty students.

The main function of the chorus is to learn the origin of gospel and spiritual music and to relate its value to others as a true art form of the black culture.

Members of the Gospel Chorus, many of whom are also students in Beginning Chorus and Advanced Chorus, meet in the auditorium every Wednesday for rehearsal. They perform at the Christmas Concert and the Spring Concert.

MXS Band Front

The Malcolm X Shabazz Band Front consists of the various squads that perform along the sideline of the field or court during football and basketball seasons.

Unfortunately, the Bulldogs did not have a marching band this school term, thus eliminating the twirlers and limiting the number of fall appearances made by the squads. When basketball season came around, the Malcolm X Shabazz Cheerleaders and Pep Squad were present in full force to entertain and arouse the crowd to cheer the Bulldogs and the Lady Bulldogs to victory.

Wall and Wilson Lead Bulldogs to .500 Season

Under the guidance of head coach Clinton Jones and assistant coaches Willie Marsh, David McCombs and Frank Carr, the Bulldogs finished the 1984 season with a record of five wins and four losses.

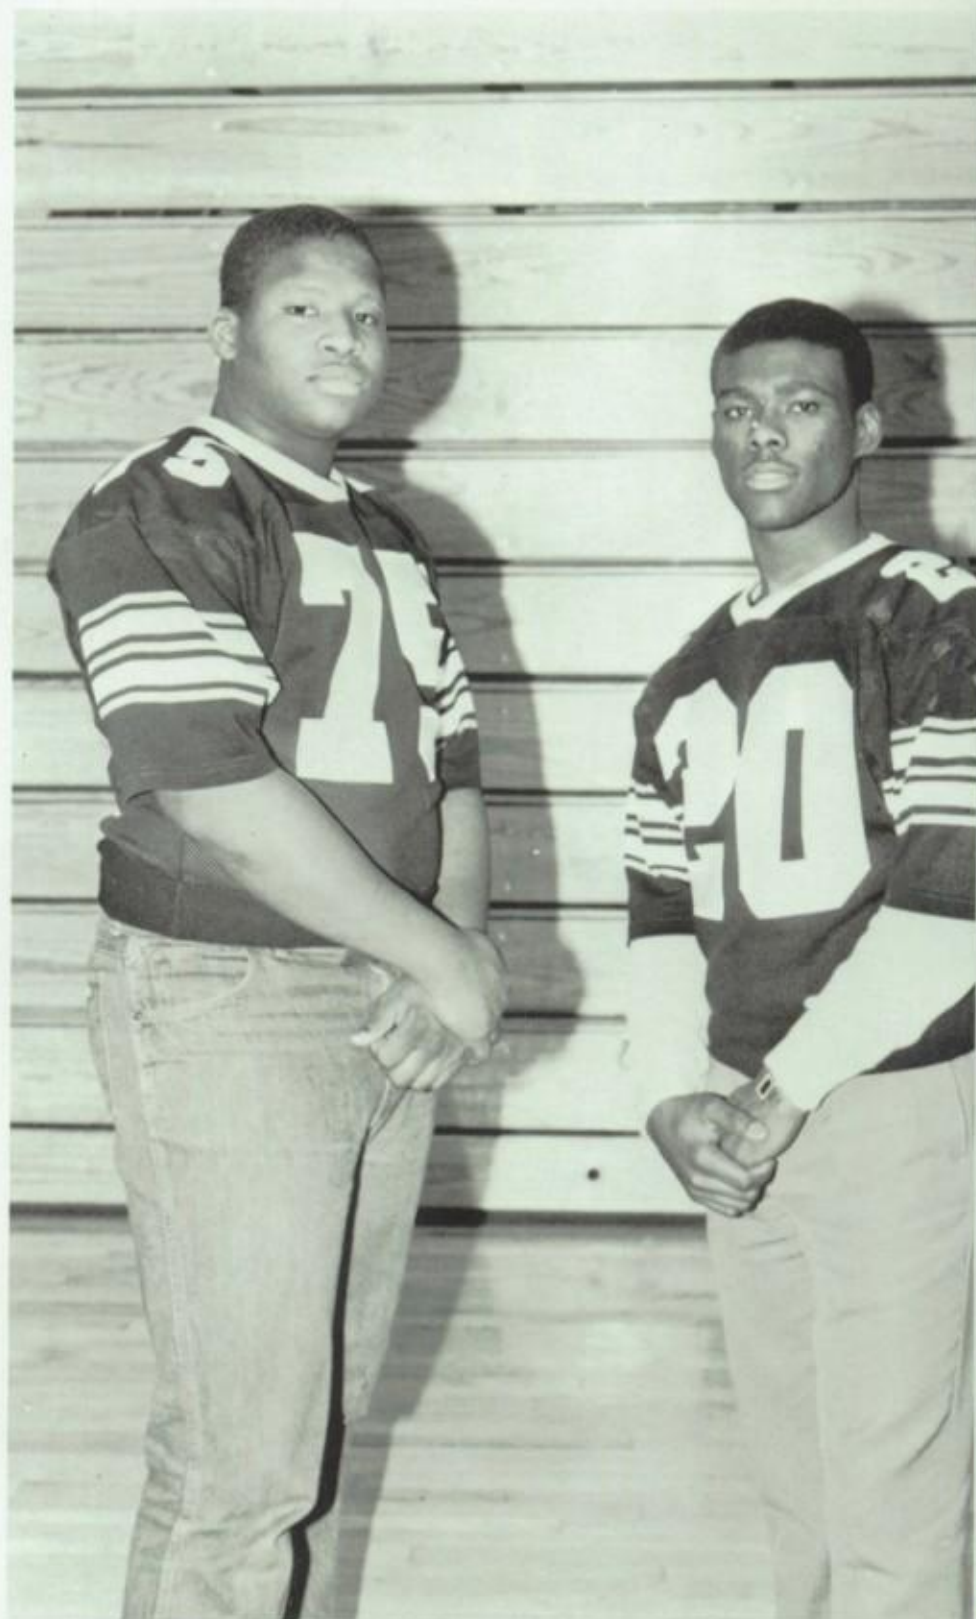

In the backfield, fullback Charles Wall and tailback Charles "Monty" Wilson consistently led the team in total scoring and yardage. Wall carried the ball 85 times for a total of 685 yards with an average of 8.1 yards per carry. Starting quarterback Darren Melvin threw for 500 yards, completing 27 out of 45 attempts for 4 touchdowns. Catching 22 passes from Melvin for 475 yards was Ronald Morse, averaging 21 yards per catch. Robert Strafford was the second leading receiver. The offensive linemen were small but quick. They continually came up with the big plays, rolling up 3,000 offensive yards.

On the punt return, there was James Cook, who totaled 250 yards, averaging 12.8 per return.

Defensively, the Bulldogs were tough against the run and the pass. Totalling 16 interceptions against opponents, Charles Wilson and Mike Davis led the team with 3 apiece. Sean Lewis recovered three fumbles, and Michael Jones led the team with 8½ sacks for the year. Leading in tackles were Charles Wall with 105 and Charles Wilson with 77. Linebacker Genaro Thompson was close behind with 70.

Making the 1984 All City Team were Obalaji Baraka, Darren Melvin, Kalimiullah Bilal, Byron Davis, Ronald Morse, Sean Lewis, Genaro Thompson, Charles Wall and Charles Wilson. Davis was also placed on the All County Team, whiel Wall was selected for All County and All State.

Harris Sets State Record

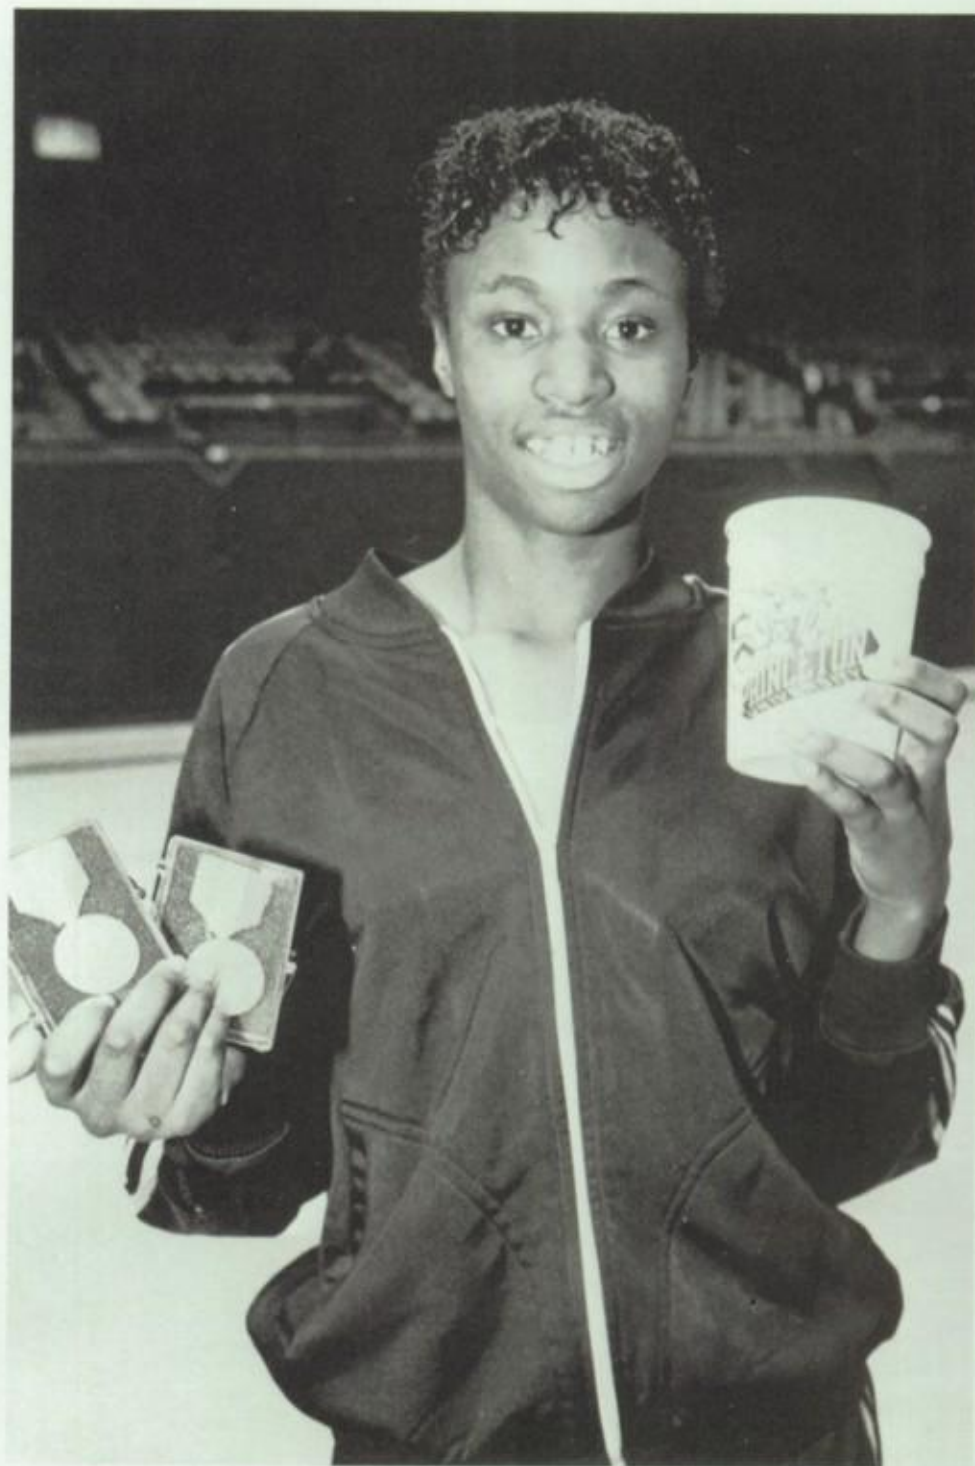

Gisele Harris, the top girl's half miler in the state, won the 400 meter dash in 56.3 and set a state record in the 800 meter run in 2:13.3.

Both boys and girls track teams enjoyed successful seasons and were among the best in the state.

The girls' team, composed of Harris, Lisa Wright, Veronica Jenkins, and Gloria Burns, became Group III State Champions in the sprint medley, with the fastest time in New Jersey for the year.

The boys' team went into the relays with an excellent shot at the team championship, but a series of slips poor stick passes and missed opportunities cost them the trophy.

Gerardo Optimistic About New Season

The varsity baseball team, under the leadership of Coach Pat Gerardo, are optimistic about improving their 1984 record of 12-8. The squad is led by two "All City Team" players, Claston Walker and Salvatore Bareta, Kim Whitney, Obalijia Baraka, Richard Vaga, Roscoe Brantly, Ronald Morris, Hermandia Padilla and Nathaniel Giles.

Coach Gerardo is very eager to start the 1985 season. He takes the time to teach his players the fundamentals of the game, therefore they consider him to be the most dedicated coach at Malcolm X Shabazz.

Donnell Leads Lady Bulldogs to 4th Consecutive ECT Title

With 1:27 left in the game, Liza Donnell faked left, spun right and hit a jumper from the middle of the key to lead the Lady Bulldogs to a 58-57 victory over the Irvington Campers in the Essex County Tournament final before a crowd of 1,500 at Seton Hall University.

Having broken her right ankle in a pre season game, Donnell was forced to watch the first 10 regular season games from the bench. The team suffered a 52-41 defeat from Paterson East Side in the Paterson East Side Holiday Shootout, and a 56-64 loss to the Newark West Side Rough Riders during regular season — their first lost in the city of Newark and in the Dog House in five years. Sophomore point guard Earlisha Dill, seniors Sharonda Phelps and Sharon Bivins, sophomore Catrina Miles and freshman Danita Fairley rallied together to form an awesome starting five. Seniors Toinette Boyd and Bushra Shabazz, sophomores Wanda Simms and Arneatha Cole, and freshmen Monessa Dickens, Tonya Watson, Tamara Miles, Cora Kerton and Charlene Evans completed the squad. Donnell, a senior, rejoined the team at mid season

and the Lady Bulldogs finished the regular season with a record of 12 wins and 2 losses, capturing the Newark City title for the sixth consecutive year.

The journey to the Hall began with an 88-15 victory over Irvington Tech in the Dog House. Dill led the team with 25 points, 5 steals and 4 assists. Donnell followed with 20 points, 13 steals and 7 assists. Phelps pumped in 10 points, grabbed 10 rebounds and handed out 2 assists. Quarter finals brought our city rivals, West Side, back to the Dog House. To avenge their regular season loss to West Side, Donnell scored 22 points, grabbed 21 rebounds, blocked four shots and handed out 4 assists to lead her team to a 55-40 victory. Phelps followed with 15 points, 20 rebounds and 3 steals. The semi-final game took us on the road to meet Montclair Immaculate in Belleville. It was evident that Donnell came to play, scoring and career high of 36 points, with 11 steals and 15 rebounds. Phelps added 8 points and 10 rebounds. Dickens stole the ball at mid court with .36 left on the clock and scored an easy layup to seal the victory at 59-54.

Finally, the Lady Bulldogs and the Irvington Campers faced each other at the Hall, trying for the eleventh Essex County Championship trophy and the Clinton Avenue bragging rights. With the score tied at 9 apiece at the end of the first quarter, the Lady Bulldogs found themselves unable to find the right combination for scoring in the second quarter and entered the locker room at half time trailing the Campers 33-19.

It was a different team that came onto the court third quarter. Donnell pumped in 8 of her 32 points to pace her team with a 16-2 spurt to tie the score at 35 with 3:28 left in the period. The Campers began to double up on Donnell defensively, which allowed Dill to drive to the basket with 6 of her 14 points in the final quarter.

A collision at mid court with an Irvington player left Donnell on the floor, clutching her right ankle, which was broken earlier in pre-season. Coach Vanessa Watson was forced to go to her bench for Monessa Dickens. It was the duty of Phelps and Bivins to pressure Irvington's franchise, Tammy Hammond, a 6-0 junior who averaged 24 points and 14 rebounds per game. They did their job well, holding Hammond to 7 points in the second half. Donnell, who walked back and forth behind the Lady Bulldogs' bench, returned to the game after her injury and sank the short jumper that capped a five-point streak, when the Lady Bulldogs took the lead for good, with 2:48 left on the clock.

Lady Bulldogs Capture 3rd Sectional Title in 4 Years

The Lady Bulldogs defeated Randolph 54-36 to earn the Section 2 title, then defeated Pascack Valley 53-45 in the state Group 3 semifinal, but lost to North Hunterdon in the final game at the Brendan Byrne Arena.

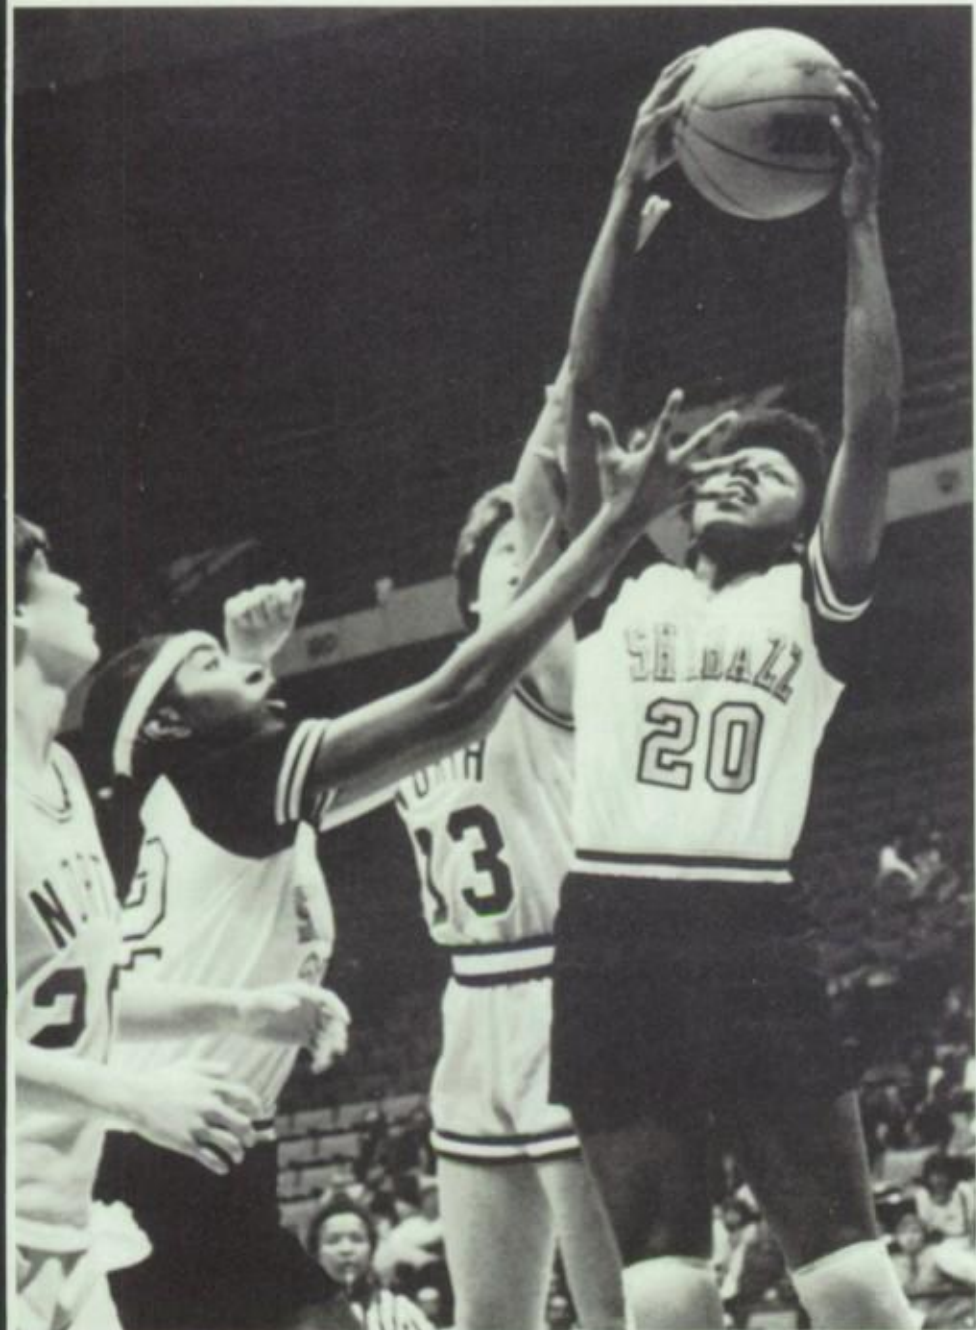

The road to the Meadowlands began with the Lady Bulldogs defeating Mendham 38-30 in their season's final performance in the Dog House. Though they trailed by 1 point halftime, the Lady Bulldogs began to rally in the third quarter when senior Toinette Boyd came off the bench to score five unanswered points. Sectional 2 semi-finals took us on the road to Madison to meet the Hanover Park hornets. The score was tied at 57 with two minutes remaining, when Donnell hit a jumper to break the tie and paced her team to a 6 point spurt. Donnell finished with 33 points, 11 of which were from the foul line, and pulled down 10 rebounds. Dill added 19 points. Sectional finals took us to Union to meet Randolph. Donnell scored 22 points, 10 of which were in the second period, to lead the Lady Bulldogs to a 54-36 victory. Dill scored six of her 2 points in the opening period. Phelps scored 8 points and pulled down 17 rebounds to help dominate the boards. The Group 3 semi-finals took the Lady Bulldogs to Bloomfield to face Pascack Valley, who had eliminated them from the semi-finals in 1982.

Though she was only a freshman in 1982, Donnell recalled the pain suffered by that loss, and led her team to a 53-42 victory. Shabazz trailed midway through the second quarter, then broke the game open with a 12 point streak that bridged the second and third quarters. Donnell made six of her 31 points in this spurt in the third quarter. Dill, who spent most of the third quarter on the bench with four fouls, converted nine of 12 free throws. Bivins, who also got into foul trouble early, scored eight points, grabbed 5 rebounds and blocked 4 shots.

Only two years after having captured their first Group 3 State Championship, the Lady Bulldogs traveled back to Brendan Byrne Arena in the Meadowlands to meet North Hunterdon for the 1985 Group 3 finals.

The Lady Bulldogs took an early lead and led most of the 1st half, but found themselves trailing by 1 point at half time. Bivins, who finished with 6 points, 7 rebounds, 4 blocked shots and 3 assists, got into foul trouble in the first half and spent most of the third period on the bench. North Hunterdon opened up a 10 point lead that the Lady Bulldogs found themselves unable to overcome. Though her final high school game was not a victory, Donnell had an impressive night with 28 points, 12 rebounds, 3 blocked shots and 6 steals. Dill added 14 points, and 7 assists and Phelps pumped in 9, grabbed 7 rebounds and handed out 4 assists.

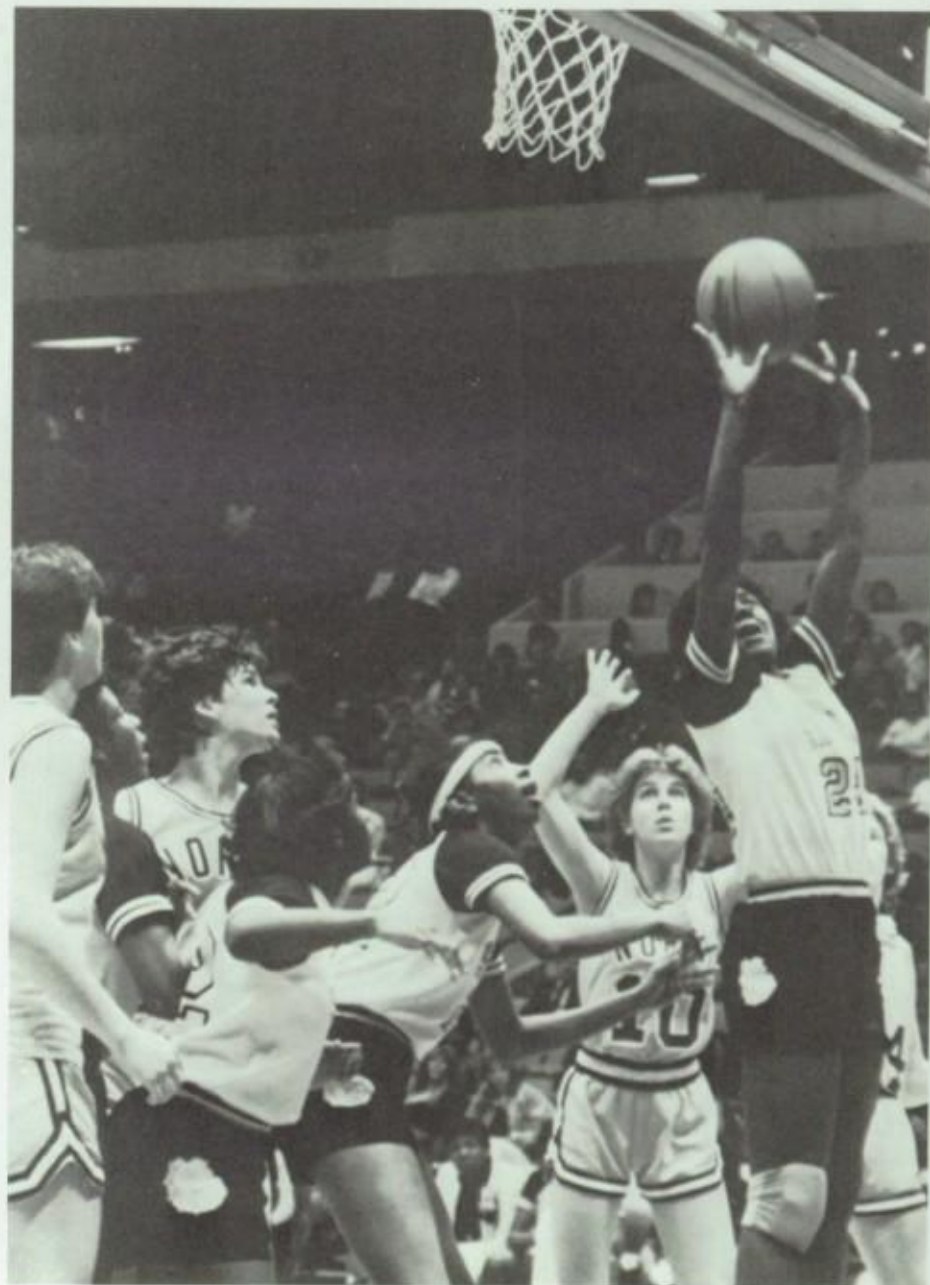

We congratulate the Lady Bulldogs on their impressive 20 wins, 3 losses season.

Bulldogs End Baffling Season

Having graduated six key players from last year's championship team, the 1985 Bulldogs basketball team got off to a very dismal start.

Coach Reynolds feels that many of the seniors reached their peak during the second half of the season, and will definitely be missed from next year's squad. 6'6" center Ed Woods led the team in scoring and rebounding. Obalija Baraka was the team's defensive specialist and was assigned the task of harassing the opponent's leading scorer. Paul Vaughn was the team's second leading scorer, while Larry McClain led in assists. Marc Jordan was a steady influence on and off the court. Anthony McCloud and William Jones provided bench strength.

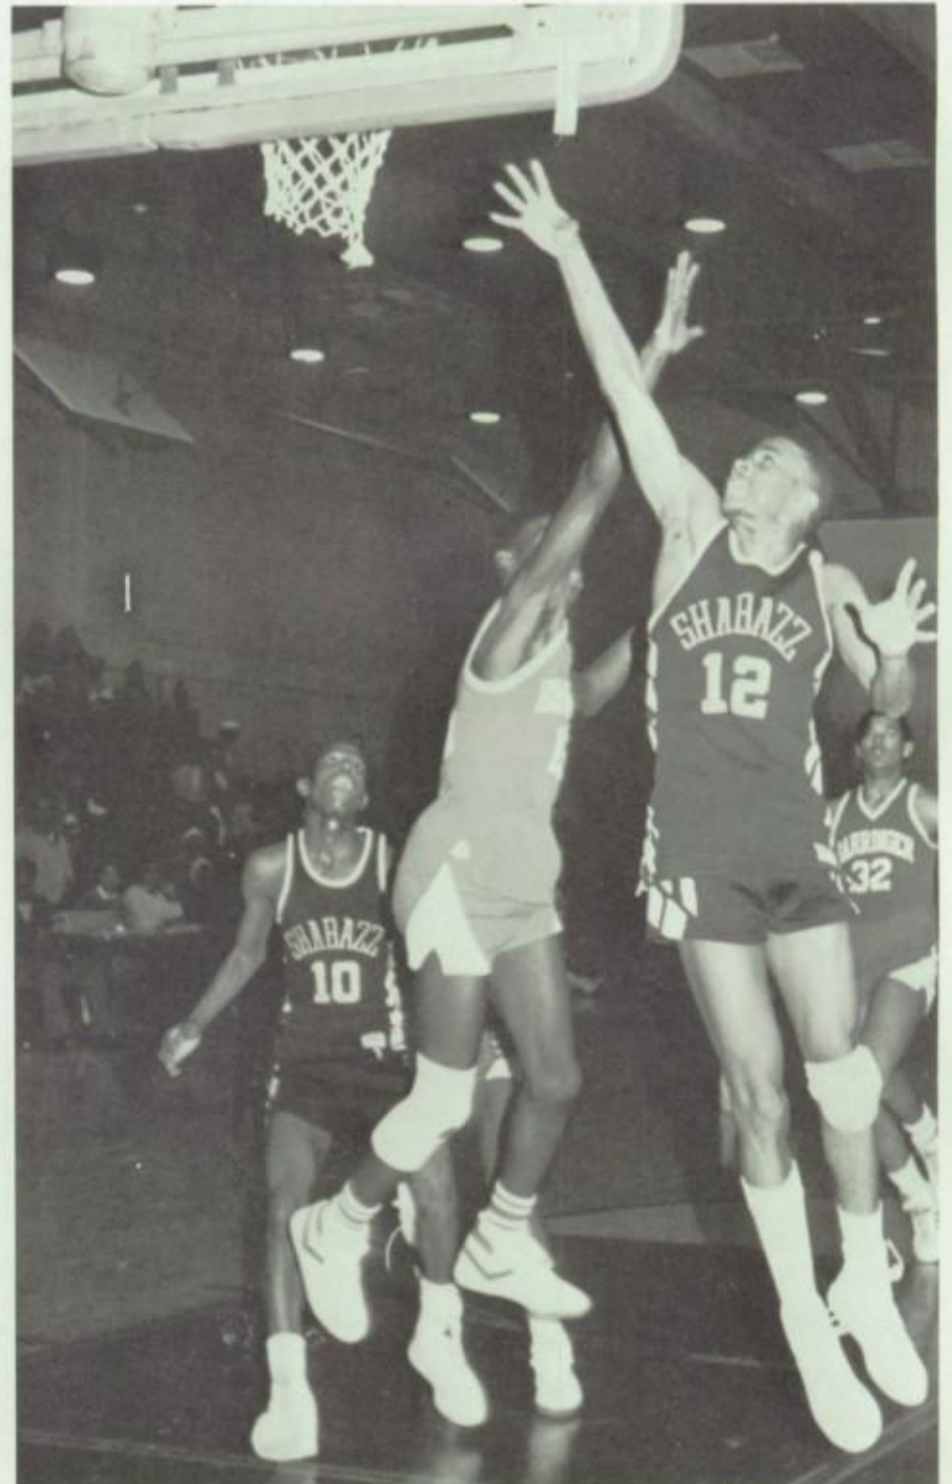

It is Coach Reynold's belief that returning players Anthony Avent, Antonio Jones, Steve Bullock, John Dunlap, Warren Lee and Kasim Williams can pilot the 1986 Bulldogs to a championship.

BEST WISHES

Lisa Cochran

Little Lisa,

Here it is! Your big year, and you want a big speech to go with it, right? You want compliments — like how beautiful you are, your sweet personality, and how much joy you have brought to our lives. Well, we've summed up what we think of you in two words:

YOU'RE PERFECT

We wish you all the happiness and success that the future could possible bring.

Remember that we are for you when you need us.

Loving you always,
Brenda & A.C.

WISHING YOU MUCH SUCCESS!

Time passes like sand slipping through an hour glass. It's precious; don't waste yours.

There is a reason why life is so precious. There is hope and that hope is Christ. He is your purpose in life. Follow him.
